

Zagreb, May 9th, 2024.

Subject: Invitation for partnership and support the 9th International Congress of Nutritionists in Zagreb, Croatia, November 21-23, 2024

Dear esteemed colleagues,

We are excited to announce the upcoming **9th International Congress of Nutritionists (ICN)**, organized by the Croatian Federation of Nutritionists, set to take place in Zagreb, Croatia, from **November 21st to 23rd, 2024**.

This year's Congress stands as a pinnacle event for nutritionists across Europe, encompassing an array of topics vital to the field of nutrition science. Our agenda will explore themes including **biotics, plant-based diets, use of dietary supplements in healthy individuals, sustainability, innovative products in the food industry** and much more.

In our commitment to fostering innovation and excellence in nutrition research, the Congress will feature special recognition for the contributions of young scientists and researchers showcasing innovative practices in nutrition science.

Building upon the success of the 8th International Congress of Nutritionists held in 2022, which saw the participation of around 400 attendees and featured insights from over 40 esteemed speakers worldwide, we anticipate a great gathering of minds and expertise this year as well.

We extend an invitation for your esteemed organization to collaborate with us as a partner or co-organizer of this year's Congress. In that respect, we would highly value your input on specific areas of interest and recommendations for distinguished presenters from your association or region for the topics to be covered at the Congress.

Additionally, we would kindly ask your assistance in **inviting your fellow members to register for the Congress and participate actively by submitting their abstracts**, to the following links:

<https://congress-nutrition.org/participant-application/>

Thank you for considering our proposal. We eagerly await your positive response. Should you have any inquiries or require further information, please do not hesitate to reach out to us.

Warm regards,

Karmen Matković Melki, MSc
President
Croatian Federation of Nutritionists

HRVATSKI SAVEZ
NUTRICIONISTA

Tena Niseteo, PhD
President of the 9th ICN
Organization Committee
